

Public notice:

Deletion of dormant/unsustainable .za domains

In preparation for licensing registries and registrars in terms of Section 65(1)(c) and (d) of the Electronic Communications and Transactions Act, the .za Domain Name Authority hereby announces its intention to delete the following dormant/unsustainable .za domains:

- (a) Bourse.za
- (b) City.za
- (c) Cybernet.za
- (d) Db.za
- (e) Grondar.za
- (f) laccess.za
- (g) lmt.za
- (h) Inca.za
- (i) Landesign.za
- (j) Olivetti.za
- (k) Pix.za

To its best knowledge, after some investigations into the status of operation of dormant .za domains, the Authority is not aware of any active domain name registrations in the domains to be deleted.

A call is therefore made to any person who holds an active domain name in any of the domains earmarked for deletion who is of the opinion that any of these domains should not be deleted, to make a written submission (with reasons) to that effect. Submissions should be sent to the Authority at email address gm@zadna.org.za, by fax to +27 11 234 5022, or by post to The General Manager, .za Domain Name Authority, Postnet Suite 1, Private Bag X75, Bryanston, 2095.

The Authority does not undertake to change its decision because of any written submission, but is willing to re-consider its decision/approach if there are credible reasons provided for this. All written submissions must reach the Authority no later than Friday, 13 March 2009.

General Manager, Vika Mpisane,
