

## ZA DNA Policy and Licensing Roadmap

Category	Description	Status
Registrar	Registrar licensing regulations and procedures <ul style="list-style-type: none"> <li>Includes the licence application form</li> </ul>	Draft to be published for comment 2009-11-18.
	General registrar licence <ul style="list-style-type: none"> <li>The same licence will be issued to each registrar</li> </ul>	This still needs to be drafted. Target deadline: 2010-03-31.
	Technical/operational standards for registrars	These still need to be developed. Target deadline: 2010-03-31.
	Registrar reseller agreement <ul style="list-style-type: none"> <li>Each registrar has the option of developing a reseller agreement</li> </ul>	May be introduced by registrars. ZADNA does not approve these agreements and is not party to them.
Registry	Registry licensing regulations and procedures <ul style="list-style-type: none"> <li>Includes the licence application form</li> </ul>	Draft to be published for comment 2009-11-18.
	Individual registrar licences <ul style="list-style-type: none"> <li>Each registrar licence will be specific to that registry</li> </ul>	These will need to be drafted later. Target deadline: 2010-03-31.
	Technical/operational standards for registries	These still need to be developed. Target deadline: 2010-03-31.
	Registry administration policies and procedures <ul style="list-style-type: none"> <li>Each registry may publish its own administration policies and procedures, including registrar &amp; domain name transfer, deletions/cancellations, and registration data usage</li> </ul>	These must be approved by ZADNA and published on the ZADNA web site.

	Registry-registrar agreement <ul style="list-style-type: none"> <li>• Each registry is required to have a specific Registry-Registrar agreement</li> </ul>	This must be approved by ZADNA.
Registrant	Terms and conditions for registrants	These still need to be developed. The 2007 draft policies and procedures document contains some sections applicable to registrants. Target deadline: 2010-04-30.
Fees	Registrar licence fees <ul style="list-style-type: none"> <li>• Application fee</li> <li>• Annual renewal fee</li> </ul>	To be determined. Target deadline: 2010-02-26
	Registry licence fees <ul style="list-style-type: none"> <li>• Application fee</li> <li>• Annual renewal fee</li> </ul>	To be determined. Target deadline: 2010-03-31
	Domain registration fees <ul style="list-style-type: none"> <li>• Initial registration fee</li> <li>• Annual renewal fee</li> </ul>	To be determined. Target deadline: 2010-03-31
Domains	Second-level domain charters <ul style="list-style-type: none"> <li>• Each second-level domain requires a published Charter detailing the purpose and nature of the domain, the criteria for regulation, and the administration protocol for sub-domains</li> </ul>	Existing SLD administrators have (mostly) providing input on the current 'Charters' for their domains. Formal charters for each domain still need to be developed for public comment. Target deadline: 2010-02-26
	Policy and procedures for new domain applications	These are currently part of the ZADNA founding documents, and need to be separated out to form a separate document.

	Dormant domain deletion policy and procedure	The current policy was approved by the Board on 2009-09-11 and was used during the recent process of tidying up dormant second-level domains.
	Privacy and whois policy	This still needs to be developed. Target deadline: 2010-03-31
